## GUANGZI IMAGE SERVICES

Tailor made photo image presentations for various applications, corporate clients and private individuals alike, including printing, framing and mounting.

### Mounting & Framing Options:

- Classically-mounted photographs (museum collection standard, glass surface)
- American box (no glass surface, various wooden colour boxes, white, black or aluminium)
- Aluminium Mount (photo artwork mounted onto aluminium, board, no framing)
- Traditional Chinese Scroll (traditional Chinese mounting method for photo works produced on paper, convenient to carry)

Printing: various paper types possible, from traditional photo paper to fine art paper, rice paper or canvas.
